a little magic

The Tooth Ducks

Ducky

The little duckling with a brave heart and a big smile.

The Tooth Fairy

Guardian of little teeth and keeper of big dreams.

The Tooth Magician

Master of restoration and creator of happy smiles.

Captain Cavity

The sugar swindler who loves sweets (and trouble!).

Every little tooth deserves a little magic

1. The Kingdom of Little Teeth
In a magical kingdom, every little tooth lived happily. They played, laughed and grew together in a beautiful land of smiles.

2. Captain Cavity arrives

But one day, a dark cloud appeared...
Captain Cavity and his army of Sugar Sprites
came to the kingdom. Their mission?
To turn every little tooth into a Cavity Castle!

3. Enter Ducky
Just when everyone thought the kingdom was lost, a little yellow duckling arrived. Ducky may be small, but he has a brave heart and a big smile.

4. Ducky tries to fight back

Ducky bravely used his toothbrush
to fight Captain Cavity, and the sugar monsters.
But sometimes, the toothbrush wasn't enough...
You need an extra power!

5. Ducky meets the Tooth Fairy

Ducky found the Tooth Fairy, who explained:
“These aren’t just teeth. They’re little teeth.
They help children eat, speak and smile.
We must protect them until their time comes.”

6. The Tooth Magician
The final battle is coming, and the kingdom needs help. The Tooth Fairy tells Ducky that there is only one person who can save them now: The Tooth Magician! With his Magic Ring and glowing yellow diamond.

7. The Magic Ring

In the final battle, the Tooth Magician appears with his Magic Ring. With its yellow diamond, he creates a protective shield around the little teeth.

9. A happy ending

The Kingdom of Little Teeth was safe again.
The little teeth celebrated, and Ducky discovered something important...

10. The big message
He didn't need to be big to make a difference.
All he needed was a brave heart
and a big smile.
